Hi Darin, I hope you're well and that the deLaB project is coming along!

I just wanted to reach out and let you know that I'm part of the team planning this tour, and suggested you as the best contact for the BID. We'll be visiting the area on October 18 with about 40 department staff, and I hope you or someone else with the BID would be able to meet with us!

Best,
Ashley

Hi Darin,

The City of Los Angeles Department of City Planning is in the process of creating tours that educate the City's staff and create connections with communities in South Los Angeles.

I am interested in obtaining information regarding the Byzantine Latino Quarter Business Improvement District (BID) and potentially setting up a speaker that would be willing to talk to a group on the history and the work the BID does.

Please email or call me at your earliest convenience.
